

NORTHWEST OTC[®] ORTHOTICS

Premium OTC[™]

FULL-LENGTH

A radical upgrade over standard insoles! Features a credit-card thin aerospace composite topped with a long-lasting EVA top cover (with an antimicrobial cloth layer) for superior comfort. Composite shell, with top cover, no heel post.

3/4-LENGTH

A low profile orthotic designed for low volume shoes, including women's stylish flats, men's dress shoes and soccer cleats. Our proprietary composite technology in its purest form. Composite shell only, no top cover, no heel post.

HIGH HEEL

A sleek orthotic designed to relieve pain associated with wearing high heels while restoring natural balance. Wear your favorite shoes AND have feet that feel great. For shoes with a heel height of 1.5" to 3". Composite shell, no top cover, no heel post.

Elite OTC[™]

FULL-LENGTH

A carbon fiber-reinforced polymer foundation featuring an antimicrobial cloth top layer and firm EVA cushion, plus a deep heel cup, 4° varus heel post and 4° valgus forefoot post (intrinsic). Upgrade from flimsy, run-of-the-mill insoles to medical-grade OTC orthotics. Polymer shell, with top cover and heel post.

3/4-LENGTH

A 3/4-length top cover/cushion layer for comfort and durability with a foundation made from our proprietary carbon fiber-reinforced polymer. To ensure unrivaled support, we added a deep heel cup, 4° varus heel post and 4° valgus forefoot post (intrinsic). Polymer shell, with top cover (3/4-length) and heel post.

Children's OTC

Our acclaimed custom children's orthotics distilled down to their essential elements:

- A deep heel cup and heel post for excellent support and rearfoot control.
- A low profile design for great shoe fit.
- A firm base to keep feet from collapsing.
- Seven sizes (for ages 18 months to 8 years).
